# DIRECTIONS

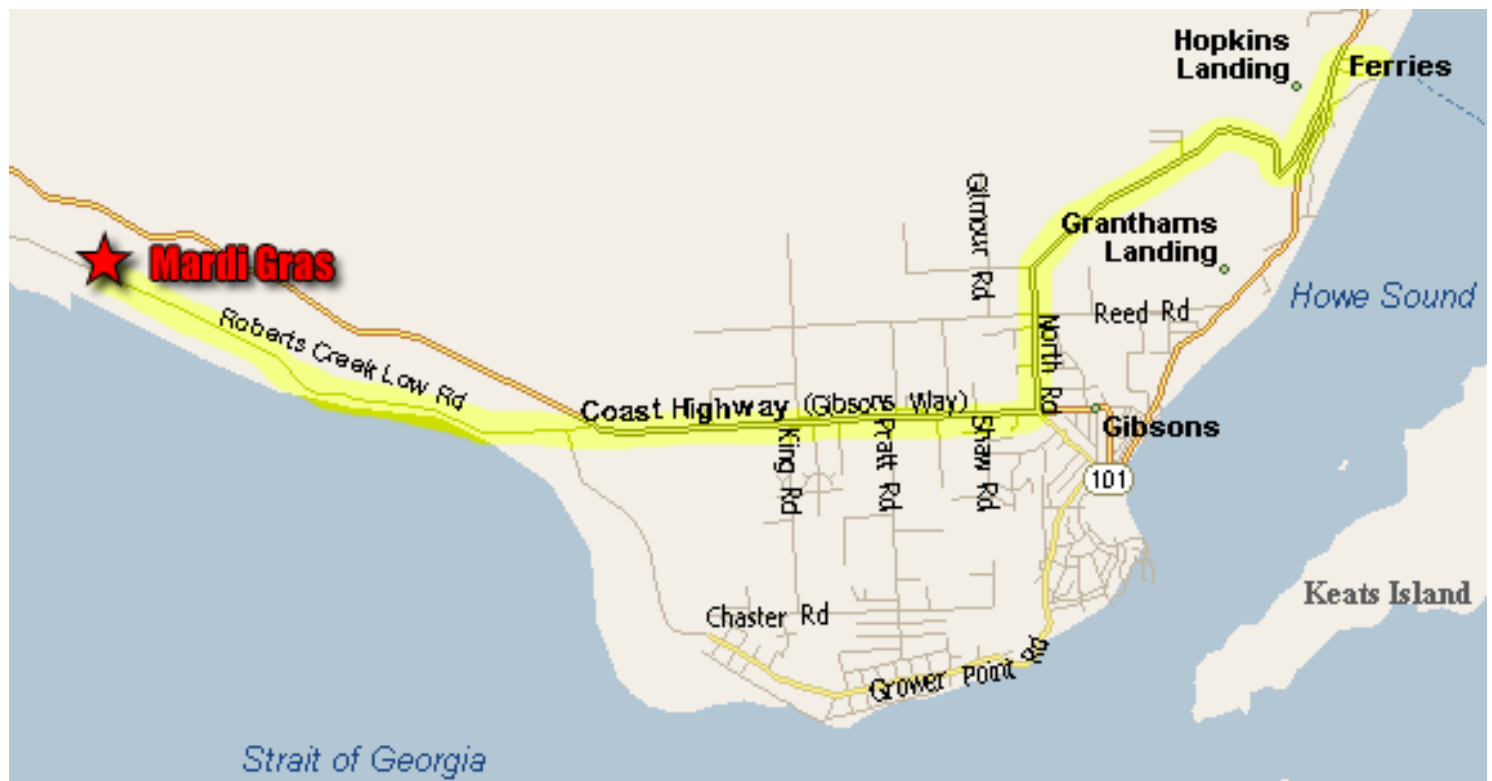

The great thing about taking the ferry to Langdale, is you only pay once! That's right, there's no charge for the return trip. We realize that the ferry is expensive, so in order to cut down your expenses, we have organized a shuttle service from the Langdale ferry terminal to Camp Byng for those who decide to walk-on (there is ample parking in Horseshoe Bay - need more info? Call us!). As mentioned above, each person wishing to use our shuttle service will be charged \$2 to help cover our fuel costs. Please indicate on your registration form which ferry you anticipate being on, as well as the numbers in your group, so we may have enough transportation at the terminal. Ferry schedules: [www.bcferries.com](http://www.bcferries.com)

## Directions for walk-on:

- Get on Highway #1 Westbound, go all the way to Horseshoe Bay in West Vancouver down the hill and follow the signs to the passenger drop-off area.
- If you're not being dropped off, you can park your car at the BC Ferries terminal lot, or you can go outside of Horseshoe Bay and park at the Lions Club lot.
- Get on the Langdale ferry, NOT Nanaimo or Bowen Island! It's a 35 minute ride, so enjoy the sun.
- Once at Langdale, walk to the passenger pick up area, and look for our greeter! If you're wearing your uniform (as you should be!), it'll be easy for us to identify you.

**Directions for drive-on** are same as for walk on to get to Horseshoe Bay except... drive onto the ferry...

- Once at Langdale, drive up the hill and at the top, take a left at Marine (it's a T junction at the top of the hill).
- At North Road take a right (just follow the traffic). Follow North Road 'till the Intersection at Coast Highway (101).
- At Coast Highway (101), take a right. Continue 'till the split for Roberts Creek Low Road (aprox. 4km / 2.5mi).
- At the split for the Low Road, take a left. (Immediately after the split, there is a cemetery on the right side of the road.)
- Continue along the low road 'till you get to Camp Byng! (Distance from the ferry terminal to Byng is 10.7 km or 6.5mi.)

**OUR CAMP ROADS ARE ONE WAY ONLY! PLEASE OBEY THE SIGNS AND OUR STAFF!**
