

Mardi Gras 2021 COVID-19 Risk Assessment

Mardi Gras has identified the following potential sources of COVID-19 transmission following suggestions from a previous WorkSafe BC document. BC has now transitioned to using a more Communicable Disease Plan instead of only focusing on COVID-19. Our Communicable Disease Plan will be made with this list in mind as well as other risks that may be identified in the future.

Gathering Places

- HQ
 - Especially during registration
- Main field
